"Truly it was our best day ever. Our day sparkled and your venue and staff contributed greatly. Our friends and family were awed by the beauty that is Middleton Park House, as we knew they would be. The house has a soul and we fell in love with it. Your staff were one of the highlights of the day... people are still talking about the best wedding meal ever!"

"Both myself and S just wanted to let you know that we had an absolutely fantastic day and would love you to pass on our thanks to all of your staff who were extremely professional, helpful and kind on the day. Everything went exactly as we had hoped and the kitchen did an excellent job on the food. Thanks again for all your help... we had a ball!"

"What can we say? It is indeed a rare event when our expectations are not only met but in fact surpassed into the distance. The management and staff were fantastic. The food was the highlight of the entire day. As for the bars and their staff, no one had to remind them of any round or any drinks. The other very nice touch is that all the staff greeted V and I by our names at all times. Then of course at the BBQ the food was fantastic again. Thanks again for making our day so memorable, stress free and fantastic."
